Coney Island Jockey Club's Bitter Feeling Toward Him Because of Huron Incldent Has Died Out-Stewards Accept

Explanation of Enfield's Form Reversal. It was reported on good authority at Brighton Beach yesterday that the Coney Island Jockey Club would soon restore Edward Corrigan to good standing on the Jockey Club's tracks. Corrigan, a Western racetrack stockholder, owner and breeder, has been in disfavor on the Eastern turf ever since the Huron incident of 1891. Corrigan owned a colt named Huron, and in spite of the fact that he had been declared out of the Futurity of that year his owner insisted upon send-ing him to the post. Huron ran second in the big race, which was won by His Highness, but the judges took no notice of him, placing the third horse second and the fourth horse third. Corrigan brought suit for his share of the stake, but was beaten in the courts. After that the edict went forth that Corrigan should never be allowed to race a horse on the Eastern tracks again. The feeling was so bitter against him that when he entered the Sheepshead Bay track several weeks after the Futurity he was requested to leave by the Pinkertons, acting under instructions from

the late John H. Bradford. Corrigan steered clear of all the Eastern racecourses after that until last summer, when he put in an appearance at Empire City for several days. When his yearlings were sold at Sheepshead Bay two weeks ago turfmen began to talk. Then as Corrigan visited the track and talked with old friends in the paddock the rumor was circulated that the old feeling against him had died out. Yesterday it was said that Corrigan would receive permission to race here if he cared to do so, in spite of the fact that he announced recently that he would sell all his horses in training together with his stallions and brood mares. Corrigan's hotheaded ways have got him

into all sorts of trouble on the Western tracks. It was only last winter at New Orleans that he indulged in a fistfight with Starter Dade. He formerly owned and controlled the Hawthorne track in Chicago, but because of a bitter strife with John Condon racing was killed in that city. Corrigan since then has controlled the Kansas City track, and it was chiefly through his efforts that City Park was built at New Orleans. It was said lass year that he was interested in the Empire City track, but this was afterward denied by James Butler. From time to time the Jockey Club has been criticised for encouraging Western turfmen to race here, but it seems that the policy will not be changed.

The stewards at Brighton yesterday took

cognizance of the startling form reversal of Woodford Clay's Enfield in the fifth race. On Tuesday Enfield, a red hot favorite, could not raise a decent gallop in a race in which he was badly beaten by Rubia Granda, Clef and Indomitable. Yesterday, however, with a change of jockeys from J. Lee to Shreve and quoted at liberal odds Enfield had all kinds of speed and won by coming from behind with a determined rush. It was such a form somersault that the regulars indulged in all sorts of uncomplimentary remarks. The stewards sent for Brooks and asked him to explain. Brooks said that in three races at Sheepshead Bay Enfield ran in blinkers and that as he behaved badly at the post and also swerved all over the track he decided to take off the blinkers in last Tuesday's race. The experiment, according to Brooks, was the cause of the colt's poor showing, so that in yesterday's affair the "rogue's badge" was restored. Brooks said that Enfield had never run up to his work and that his defeat last Tuesday was a bitter disappointment to him-

esif and Owner Clay.

The stewards allowed Brooks to get away with this explanation. But Owner Clay paid the penalty for the form reversal of his colt, for when Enfield was offered at auction for \$500, his entered selling price, Jack Mc-Ginnis bid him up to \$1,100. Judge Mc-Dowell called for another bid, but Trainer Brooks, who was some distance away, did not bid \$5 with the usual alacrity, so that Enfield was knocked down to McGinnis then and there. Clay was decidedly warm under the collar when he found out what had oc-curred and hurried to the secretary's office as far as the rules were concerned and Mo-(innis got and paid for the colt. David Dunlop, by the way, bought Takahira, the beaten favorite in this race, at a private sale for \$3,000.

If Killcreen had won this race a most suc cessful coup would have gone through. Oral bets on Killcreen were so numerous that "memory brokers" cut the odds from 50 to 8. Killcreen, a fine looking colt, is by Buck Massie—Miss Scheimer, owned by Miss Helen Tault and trained by G. F. Devoy. He had started only once before and finished nowhere. In yesterday's race he was off poorly but ran in phenomenal style. He could not have lost with any kind of early The Brighton management is not satisfied

with the response of the steeplechase set in making entries to the cross-country events and it was said yesterday that if more en thusiasm was not displayed there would be only four steeplechases a week instead of six. For a gentleman's race at two miles on the flat, scheduled for to-day, not a single entry was received, so that a steeplechase for gentlemen riders was substituted. As this event attracted only three entries it was declared off. James R. Keene's Celt is rapidly coming

to hand and will probably start in a race at Saratoga. Celt was out early at Sheepshead Bay vesterday and worked an easy mile and a quarter, so several clockers said. Colin is still unable to take the track and it is believed that he will not be able to face the barrier until the fall, if then. When Jack McGinnis claimed Watervliet,

the former Whitney two-year-old, out of a selling race recently for \$1,000 he got a bar-McGinnis said after the Watercress gelding had won yesterday's race that he would not accept \$5,000 for him. Water-vliet won in a gallop, eased up, and covered five and a half furlongs in 1:07 2-5, one and two-fifths seconds slower than the track record, held jointly by Brookdale Nymph and Royal Vane.

There were no arrests at the track yesterday. The crowd was larger in point of paid admissions than on the previous days of the present meeting. It is a foregone conclusion that the Brighton management, under the new conditions, will break at least even, if not better.

Diamond Jim Brady was on hand to see his \$25,000 lemon, Fountainblue, run in the chief event. Brady told his friends that the Oddfellow colt would win on the bit and when the race started the good natured turfman went wild with delight as he saw Fountainblue tincanning out in front. But when the colt blew up Brady exploded with him and then hurried off to his automobile. Brady has not won a race this season and his friends are charles Langdon, employed in the field by

John G. Cavanagh for several years, died yesterday after a short illness.

Shadow Glance was supposed to be in a soft spot in the first race. He was sent out as a starter in the "advance information" slips, but there seemed to be so many persons who were wise that he was suddenly cratched. Dugan was then announced as Monocle's rider and oral wagers were made on the scrength of it; but Dugan was finally replaced with Amidon, whereat there was much faultfinding. Chaplet, who ran in this race, is the first horse to carry the Keene colors since the

meeting began.

August Belmont's colors were carried by Queen of Trent in the third race. The filly is a good looker and will bear watching. She is by Trenton-Queen's Bower. Sniff, who ran third in this event in Peter Wimmer's name, is a chestnut filly by Griffon-Domino Whist. She had a rough journey.

McDaniel's lazy ride on Juggler was not relished by the form students. If he had ridden the son of Hamburg with more am-bition there might have been a different story Notter carried off the saddle bonors with two

Play at Worcester.
Special Cable Despatch to THE SUN. WORCESTER, England, July 10.—A fine display of batting on the part of A. M. Wood and F S. White marked the resumption of play to-day in the game between the Gentlemen of Philadelphia and the Worcestershire county eleven. Rain during the night and early morning caused a postponement from the scheduled time of commencement of play, as the grounds were too soft to permit of any batting. It was not until nearly 4 o'clock that a start was made, but so fast was the scoring by the Americans that a total of 122 for the loss of three crickets was scored

before stumps were drawn. before stumps were drawn.

White started the batting and immediately got busy, playing faster than is his wont, and on being partnered by Wood a stand was made that proved to be the longest made so far during the visitors' tour. White gave an unaccepted chance early in the innings, but that was the only blemish in his record, and he withstood the bowling by the Englishman for seventy-two minutes before he was unfortunately caught from a ball that got up rather high. Included in White's innings were seven boundary hits and nine-

nings were seven boundary nits and nineteen singles.

Wood played perfectly and his timing of
the ball, combined with punishment of loose
balls, was the feature of the afternoon's
play. He was at the wickets for an hour
and twenty minutes and the stand caused
several changes of bowling to be resorted
to by the English captain, but he was still
at the bat when play ceased for the day
and will continue to-morrow when the game
will be resumed.

J. A. Lester showed something of his
form in a short innings of a dozen which
terminated when Bale held a skirer at coverpoint, but N. Z. Graves failed to score and
was soon disposed of for a cipher.

Of seven bowlers tried, Hunt, Cuffe and
Burrows each obtained a wicket, the last
named having the best analysis. Provided
the weather is propitious a start will be made
an hour earlier than usual to-morrow in a
determined effort to finish the game. The
score is as follows: OBSTREAMEN OF PHILADELPHIA.

SWEET MARIE WINS TROT. Takes Two Out of Three Heats From Major Delmar and Wilkes Heart.

READVILLE, Mass., July 10.—There was a great trotting race at the local track this afternoon, Sweet Marie capturing it by taking two of the three heats. Major Delmar was second and Wilkes Heart third. The time was nothing great, the best mile being 2:06%, made in the first heat by Sweet Marie. There was a great crowd present and the conditions were almost perfect. Major Dei

the dange worked to advantage, as an were the darcoss the track at the wire and Palmer sent the trotters on their way.

Major Delmar sprinted into the lead and was first by a length at the quarter over Sweet Marie in 31%. These positions were retained to the half in 1:03, and there was a general to the half in 1:03, and there was a general closing up at the three-quarters, which was passed in 1:34½. Andrews made his drive at the head of the home stretch, and at the distance had reached Delmar. From that point to the end Sweet Marie held the heat safe, winning by a length. Wilkes Heart was six open lengths back of Major Delmar. Soon after getting the word in the second heat, Sweet Marie made a break and lost seven lengths. The race then developed between Major Delmar and Wilkes Heart, the former holding a slight advantage clear into the homestretch, when Wilkes Heart weakened and Sweet Marie very nearly nipped him out for second place. The time in this last heat was 0:31 to quarter and 1:02¾ at the half, 1:33% at the three-quarters and 2:08% for the mile.

Sweet Marie trailed the pair to the seventh pole in the third heat, when Wilkes Heart slowed up. Coming near the wire neck and neck with Sweet Marie, Major Delmar broke badly and it was a jog for the winner. The summary:

The Whist Congress.

The Hamilton trophy, which represents the championship for teams of four, was finally won by the American Whist Club of Boston, which defeated the Pastime Whist Club of Cambridge, Mass., by six tricks at the whist congress on Thursday night. The winning team was Ward, Morey, Kelly and Slade. This is the second time that the Americans have won the trophy, Chicago Whist being the only other double winner in

eighteen years. The Minneapolis trophy, which is for the champion pair from any league club, was won by Judge David Muhifelder of Albany and Harvey McCay of Baltimore, playing for the Albany Chess and Whist Club. Mc-Cay is the only player who has won this

Thus Stahl returns to his first love, he playing with the Bostons when he first broke into big league ranks. Now that Frank Delehanty has been signed he will fill the place in left field which Stahl has been attending to most of the season with indifferent success. It is probable that Stahl will play first base for the Bostons, as the latter club has just sold Bob Unglaub to the Washingtons. Manager Cantillon of the Washingtons had Unglaub under his wing when he was manager of the Milwaukee American Association team and has wanted him ever since he has been in charge in Washington. It was a cash consideration between New York and Boston, but it is thought there may be something in it for New York in the way of a player later on. Bostons when he first broke into big league

SIR LYNNEWOOD WINS BASILY

TAKES HANDICAP FROM ZIENAP AND MOONSHINE.

Earl G. Succeeds at a Mile and a Quarter -Golconda, Waterspeed, Watervilet and Enfield Also Capture Purses at Brighton-Three Favorites Successful.

The racing at Brighton Beach vesterday was of an excellent quality, considering the value of the purses, and another crowd of 8,000 persons turned out to enjoy a pleasant afternoon. Three first choices were successful. J. E. Widener's Sir Lynnewood, 4 to 5, won the handicap, at a mile and a sixteenth. Notter kept him under a pull for three-quarters of a mile, while James B. Brady's Foun-tainblue, 18 to 5, and T. L. Watt's Moonshine, 15 to 1, were racing desperately out in front. Fountainblue exploded on the far turn and Sir Lynnewood, accompanied by Zienap, 6 to 1, began to move up. In the stretch Sir Lynnewood drew away, to win easily by a length and a half in 1:46. Zienap took the place from Moonshine by four lengths. Earl G., 2 to 1, made all the pace in the selling event, at a mile and a quarter, and won easily by two lengths in 2:06. Trash, 4 to 1, got the place by three lengths from Juggler, 7 to 5. The latter began slowly, as usual, and was last when he entered the back-stretch. Then McDaniel made too much use of him, so that he weakened when he had

covered a mile. Florence II., 10 to 1, led for nearly a mile Florence II., 10 to 1, led for nearly a mile in the opening event, at a mile and a sixteenth, but Miller got Golconda, 5 to 1, through an opening and the latter won in a drive by half a length in 1:482-5. Florence II. had two lengths over Monocle, 4 to 1 James R. Keene's Chaplet, 3 to 1, was outrun, while Coat of Arms, 11 to 5, quit after showing some early speed.

J. W. Colt's Waterspeed, 9 to 10, showed the way in the steeplechase, at about two and a half miles and galloped home four lengths before Delcanta, 7 to 2. Robador, 12 to 1, was a poor third. Sandy Creeker, 2 to 1, fell at a jump on the backstretch. The time was 451,2-5.

a poor third. Sandy Creeker, 2 to 1, fell at a jump on the backstretch. The time was 4.51.2-5.

That Lucky Jack McGinnis picked up a good two-year-old in Watervliet was shown in the third event, at five and a half furlongs, when the son of Watercress set a fast pace and swung home on the bit four lengths before Helen Harvey, 6 to 1, who had a length and a half over Peter Wimmer's Sniff, 20 to 1. Bill Daiy's Merise showed some speed, but the Belmont pair, Merry Gift and Queen of Trent, coupled at 8 to 5, were in close quarters all the way. Watervliet was the choice at 6 to 5. The race was run in 1.07.2-5.

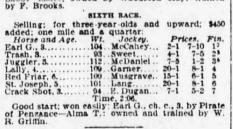

Woodford Clay's Enfield, 8 to 1, showed a marked form reversal when he won the fifth race, for two-year-olds, five and a half furlongs. He was in a nice position to the head of the stretch, where Shreve cut him loose, and he galloped to the wire three lengths before Killcreen, 8 to 1. The latter came from nowhere and beat Takahira, 7 to 10, by a head. J. E. Madden's Chaperon, 12 to 1, was a head back. Takahira set the pace to the last furlong pole, where he weakened. The time was 1.08. The summaries:

MISS WAGNER WINS FINAL. She Defeats Miss Neely in Good Match at

Englewood F. C. Miss Marie Wagner yesterday won the final match in the women's singles of the Englewood Field Club lawn tennis tournament, defeating Miss Carrie B. Neely of Chicago in straight sets, 8-6, 6-4. The match was doubly interesting, because Miss Wagner and Miss Neely were to have been the finalists for the Middle States singles championship. Miss Wagner met with a mishap which prevented her from facing Miss Neely, and the latter retained her title by default. Furthermore, in 1907, Miss Neely defeated Miss Wagner in the finals at Orange, 6-3, 6-4, so that there was all the keener interest in the match there was all the keener interest in the match of yesterday.

Miss Wagner won her victory by her passing strokes. Her driving was first class and her judgment of distance good. Whenever Miss Neely came to the barrier Miss Wagner responded with a hard placed shot that generally carried off the point for her. In the men's singles Hugh Tallant won his match from Otto Hinck in straight sets, apparently without great trouble. Tallant hasn't been playing much this season, but hasn't been playing much this season, but his match yesterday showed him to be in about as good form as ever. Tallant meets Richard H. Palmer in the final round this afternoon. In men's doubles the Crescent A. C. pair, C. M. Bull, Jr. and H. C. Martin, won a semi-final match from Sheppard Homans and Herbert Coppell in easy fashion, They qualify to meet Irving Wright and Henry Torrance, Jr., in the final round to-day.

They qualify to meet Irving Wright and Henry Torrance, Jr., in the final round to-day.

Mrs. Louis S. Coe and Sheppard Homans played well to defeat Miss M. Gordon Hamilton and Henry Torrance, Jr., in a second round match in mixed doubles, especially as the score was in straight sets. The play all this afternoon will be devoted to winding up the tournament. The summary:

Englewood F. C. Tournament—Men's angles, semi-final round—Hugh Tallant defeated Otto H. Hinck, 6—4, 0—3.

Men's Doubles—Semi-final round—C. M. Bull, Jr., and H. C. Martin, defeated S. Homans and H. Coppell, 6—0, 8—4.

Women's Singles—Semi-final round—Miss C. B. Neely defeated Mrs. W. H. Pouch, 6—4, 6—4.

Final Round—Miss Marie Wagner defeated Miss C. B. Neely, 6—6, 6—4.

Mixed Doubles—Second round—Mrs. Louise S. Coe and S. Homans defeated Miss Gordon Hamilton and Henry Torrance, Jr., 6—3, 6—4.

Consolation Singles—First round—B. M. Phillips defeated L. H. Fitch, 6—4, 6—3.

Second Round—W. V. Bennett defeated B. M. Phillips, 4—6, 6—1, 6—3; Walter Hazard defeated F. P. Ferris, 6—3, 6—4.

Finishs, 4-3, 6-4, 6-3; waiter Hazard deteated F. P. Ferris, 6-3, 6-4.

The only match played yesterday in the round robin doubles tournament at the Country Club of Westchester was won by Haroid H. Hackett and E. P. Fischer after four sets from William A. Larned and George L. Wrenn, Jr. It was at least a partial revenge for Hackett, who, with R. D. Little as his partner, was beaten by Larned and Wrenn in the challenge round of the doubles at Orange last week. Larned and Wrenn made a stand in the third set, when each team had a set to its credit, and forced the contest to go eighteen games before Hackett and Fischer carried it off. The fourth set was not so hard fought and took only ten games to decide. The defeat was the second for Larned and Wrenn in the tournament and makes them finish up with an even score, two victories and

in the tournament and makes them finish up with an even score, two victories and two defeats.

The final match will be played this afterneon, with Hackett and Fischer against Ray Little and Beals Wright. Little and Wright have won their three matches so far, so that the worst they can get is a tie for first place, if they are beaten to-day. If they win they will have a clear title to the first prize. SHAMROCK TO BE REMEASURED. Frederic Thompson to Refit the Yacht and Clear Away All That Is Vague.

Frederic Thompson, owner of the schooner yacht Shamrock, the first to finish in the ocean race for the Lipton cup, has announced that he does not care to accept the trophy while there is any doubt in the minds of some that he is not legitimately entitled to it and has decided that he will have his yacht put in commission again and remeasured.

The morning after the yacht finished and after the Mimosa III. had come in when the

question of the yacht having been improperly measured was brought up Mr. Thompson rather resented that there should be any

measured was brought up Mr. Thompson rather resented that there should be any doubt about the figures announced by the measurer and ordered that the Shamrock be laid up at once. It is probable that if he had thoroughly understood the situation he would have acted differently. The Shamrock has never been properly measured under the present rules and changes have been made in the figures so often that it is only natural that there should be doubt as to their accuracy and particularly so when no reason for making the changes has been given.

Mr. Wainwright, owner of the Mimosa III., in order to satisfy himself and other yachtsmen that the Shamrock was entitled to the cup was forced to protest, and in doing so he said that his action was taken to find out why the figures were changed and that he did not protest against the boat as a winner. The committee of the Brooklyn Yacht Club and some members of the club have had the matter under consideration and have explained the situation to Mr. Thompson.

Mr. Thompson has now given orders for the yacht to be put in the same condition as she was when she raced. Capt. Barr will come on from New London and will get his crew together again, and the yacht is to be lowered from the ways at the Marine Basin to-day. This will be some expense to the owner of the yacht, but it will clear the atmosphere very much, and if, as is expected, the Shamrock is shown to be entitled to the cup Mr. Thompson will be able to accept it without any qualms of concsience.

DETROITS CLEAN UP SERIES

MAUL THE NEW YORK AMERI-CANS ONCE MORE. The Final Game Theirs All the Way, and as

Washingtons Tie White Sox Hillmen Are Firmly Entrenched in Last Place -Browns and Clevelands Victorious. The Browns and Detroits are racing along

neck and neck in first place in the American League. They both won again yesterday, the Detroits making it five straight from the New Yorks, and the Browns shutting out the Philadelphia team. It was the seventh straight defeat for the New Yorks. The Detroits made a total of 43 runs in the series of five games here, averaging over 8 runs a game. The Chicagos and Washingtons played a tie game of sixteen innings, the New Yorks, therefore, being more firmly anchored in last place. The Clevelands beat the Bostons, taking two games out of four. The results:

Detroit, 8; New York, 2. St. Louis, 6; Philadelphia, 0. Washington, 2; Chicago, 2. Cleveland, 5; Boston, 2. STANDING OF THE CLUBS. St. Louis. 44 90 595 Philadelphia. 36 35 Detroit. 44 50 595 Boston. 53 41 Cleveland. 41 32 552 Washington. 27 47 Chicago. 41 38 554 New York. 27 47

DETROIT, 8; NEW YORK (A. L.), 2. The greedy Detroit Tiger mauled New York lamb again yesterday, and this time there was little resistance by the New Yorks. On the two preceding days the hilltoppers fought back hard, but there wasn't as much scrap in them yesterday.

If it wasn't one thing in this series it was another that enabled the Tigers to gorge themselves on runs. It was the New York pitching yesterday, which is but another way of saying it was Detroit's hitting. As usual every New York misplay was costly. The Detroits, however, would have won anyway with their clean cut, timely and stalwart clubbing. Still, they wouldn't have made more than half as many runs as they did. This teaches us that the New Yorks still clung to the expensive custom of inserting their errors where they would do their opponents the most good. The which,

incidentally, is a tail end failing.

Neal Ball, who isn't the spirited and snappy player of the early season, was shelved to allow Conroy to play short. Ball was in the game, however, before it was over. Chase's lame foot troubled him and he retired, Conroy going to third and Moriarty to first. No improvement was had from either the first or the second arrangement. The New Yorks' work looked rather flaccid. They weren't wholly to blame for this, for they batted in genuinely hard luck. Hard hit balls went straight to fielders more than once. Jake Stahl made a single, a double and a home run as a parting souvenir. He also did all of New York's scoring and stole a base. Chesbro was batted out of the box in the fifth inning. Newton was an improvement.

The Detroits led off with a couple of runs. McIntyre walked and was forced by Schaefer. Schaefer stole second and scored on a single by Crawford. Hemphill's throw in to Chesbro was returned to Conroy, who would have had Crawford out at second on the play if he hadn't dropped the ball. Cobb knew an opportunity when he saw it and laced a double to left, which scored Crawford. The New Yorks made one in the second. Stahl singled and stole, Conroy sacrificed, Downs fumbled Blair's jumper and Stahl scored. Chesbro filed to Rossman and bases on balls to Niles and Keeler filled the bases. Moriarty slapped a sharp one to Willett. The latter wanted no part of it and turned his back to it. His back stopped the ball, whereupon he picked the hall up and tossed Moriarty out.

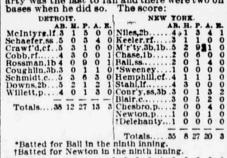

The New Yorks went against another tough break in the third. Hemphill banged a hit over first, which Rossman knocked down with one hand. As Hemphill banged a hit over first, which Rossman knocked down with one hand. As Hemphill banged a hit over to cover the base and he was right in the path of the ball, Stahl being nailed at first on what would have been a hit nine times out of ten. Downs made a rousing hit in the fourth inning. He clouted far over Hemphill's head.

The ball raced clear to the centre field fence—a mammoth wallop, sure enough—and Downs made the circuit. This was after Niles had fumbled on Coughlin and Schmidt had singled the mise en scène with a two bagger. Crawford hit to the outlying district for three bases in the fifth and scored on a wild pitch. A hit batter and a base on balls put two on bases with one out before this inning was over, but Newton made his bow then and stopped further scoring. batted in genuinely hard luck. Hard hit balls went straight to fielders more than once.

balls put two on bases with one out before this inning was over, but Newton made his bow then and stopped further scoring.

Stahl made a long home run in the fifth. He gave the ball a ride past Crawford on a line and was on the plate before the leather was back in the diamond. A wild throw by Conroy, a single by Cobb, an out and a single by Schmidt brought two Detroit runs to market in the ninth. Ty Cobb muffed a fly in the fourth inning to the unconcealed delight of the bleacherites, who think more of Ty's ability than of his strut. In the same inning Willett fanned three batters. Moriarty was the last to fan and there were two on bases when he did so. The score:

NATIONAL LEAGUE. New Yorks Get the Losing End of a Hard Fought Game in Pittsburg.

The Pittsburgs were easy for the Philadel phias, but they bucked up yesterday and defeated the New Yorks. The latter lost ground both ways, as the Cincinnatis beat the Bostons and gained on the Gothamites, and both the Pittsburgs and Chicagos drew away from them. The Chicagos took an eleven inning game from the Phillies. The Brooklyns blanked the Cardinals and climbed out of last place. The results:

PITTSBURG, 7; NEW YORK (N. L.), PITTSBURG, July 10 .- It was nip and tuck between the Pirates and the New Yorks this afternoon, the locals finally winning in the ninth inning by a score of 7 to 6. It was not until the last man was out that the game was over. Both teams batted hard. Young Cy Young started to pitch for the locals and lasted just one inning. In that time the New Yorks touched him up for three hits and secured a base on balls, which metted four runs. Clarke yanked Young out at the end of the

inning and sent Leifield in to do the slab work. He was almost as wild as Young, but kept the base hits pretty well scattered. In the eighth, with three men on bases, Leifield was taken out and Phelps sent in to bat for him. He made good, securing a single, which sent a run across the plate. Leever pitched the last inning.

How badly off the New Yorks are for infielders was demonstrated when in the eighth Larry Doyle was put out of the game for kicking. McGraw was forced to send in Crandall to finish the game at second.

Dave Brain, purchased by the New Yorks from Cincinnati, arrived here this evening, accompanied by Bob Spade.

BROOKLYN, 3; ST. LOUIS (N. L.), 0. ST. Louis, July 10.-Donovan's team found the Cardinals, 3 to 0. Defeat for the Cardinals was partly due to bad fielding in one inning and otherwise to the fact that Lush was hit consecutively in two others. McIntire pitched a good game for Brooklyn and he received the same kind of support.

The feature of the game, a triple play, came in the first inning. Burch hit safe through O'Rourke and Maloney was hit and walked. Hummel drove a short fly to right on which Shaw made a good catch. Maloney was caught off first by a quick throw. Burch tried for third base on the throw to first and Konetchy made a good pass to O'Rourke, who covered the bag, Rigler calling the Brooklyn player out on a close decision. The play was well made and both throws had to be fast and accurate to make it possible. The score: the Cardinals, 3 to 0. Defeat for the Car-

AMERICAN RIFLEMEN LEAD WELL AHEAD OF OTHER TEAMS IN OLYMPIC CONTEST. Score 1,291 at 200, 500 and 600 Yards With Great Britain 10 Points Behind -Winans Double Shot Winner-Simon Another Individual Victor for America. Special Cable Despaich to THE SUN.
BISLEY, England, July 10.—The first three

BISLEY, England, July 10.—The first three stages of the Olympic shooting competition ended this atternoon with the American team in the lead, and its members are shooting so well that they appear to have an excellent chance for first place. The American team has so far an excellent score and leads the others by a safe margin. A strong wind was blowing over the range to-day, which proved something of a puzzle to the marksmen on account of its variable-ness. The American totals, though by no means records, are considered excellent in view of the weather conditions. The efficiency of the American team is a great surprise to the European experts gathered at the

The international team competitions are at 200, 500, 600, 800, 900 and 1,000 yards, each team of six using the arms of their respective countries. Each team fires ninety rounds, fifteen per man, at each of the six distances, Because of the large number of teams com-peting the contests will occupy two full days, In the 200 yard stage the American team scored 428 out of a possible 450. Sweden was second with 423.

The total combined score of the Americans

at the 200, 500 and 600 yards ranges was 1,291, while that of the British was 1,281.

The committee which inquired into the matter of the alleged error in the score card of Capt. Casey of the United States, who yesterday apparently won the silver medal in the individual competition at 1,000 yards, with a score of 93 out of a possible 100, has de cided that there was no error and that Capt. casey won the prize. Walter Winans, for the United States, this

morning won the double shot individual competition in which he was yesterday tied morning won the double shot individual competition in which he was yesterday tied with Ranken, England. Winans scored 44 out of a possible 80, while Ranken made only 41. Both made scores of 46 yesterday, when there was no wind stirring.

America also won the 300 meter individual contest, which was decided on another part of the range. Each marksman in this conpetition fired 120 rounds—40 prone, 40 kneeling and 40 standing. Simon of the American team made a score of 886 out of a possible 1,200. His nearest competitors were Wallingford and Blood of the English team, who scored 828 and 825 respectively.

Late in the afternoon the weather turned cloudy, and as yesterday a misty haze spread over the range, giving way finally to a sleety rain. In spite of this interference with the team shooting at 500 yards, three of the marksmen made the highest possible score at this distance. Their performance was greeted with prolonged applause. One of the three was an American—Lushner.

Eight countries are represented among the contesting teams—Great Britain, United States, Canada, Sweden, France, Norway, Greece and Denmark.

Experts at the range are unanimous in their opinion that the new Springfield short rifies, with which the American team is armed, are superior to the British arm.

Washington, July 10.—Washington this afternoon bought Bob Unglaub, the Boston American first baseman. He is expected to report to-morrow. Boston, July 10.—Turner, the shortstop of the Cleveland team, will probably not play that position again this year. He was examined by Theodora C. Erb to-day. The physician found that two ligaments in the right arm near the shoulder were crossed.

CINCINNATI, SONIO, July 10.—It was announced here to-night that a deal had been made between the Cincinnati and New York National League Clubs whereby New York gets Pitcher Weimer and Infielder Brain rom the Reds and for whomisthe New York Club will give \$5,000 and return Pitcher Spade to the Reds.
